***"RBI created a Portal for Importers and Exporters for import/export documentation"***

The Reserve Bank of India (RBI) has created a portal for all exporters and importers to access important documents like Shipping Bills, Bill of Exchange (BOE), etc. across all Authorised Dealer (AD) Banks.

Previously, exporters/importers had to rely upon banks for information on pending shipping bills, BOE and other relevant data.

Now, all the importers/exporters have to mandatorily register on the RBI's Import / Export Data Processing and Monitoring System (IEDPMS) portal (<https://edpms.rbi.org.in>) to view and reconcile their cross-bank trade transactions.
